13 x 13

Numbers are substituted for letters in the crossword grid. To the right of the grid is the key with two letters solved. Try to complete the first few words to give you more letters, or look for a frequent number that might reveal a common letter. As you find letters, enter them in the key and into the grid. Cross off the letters in the A to Z list.

# Codewords

17 x 25

Numbers are substituted for letters in the crossword grid. To the right of the grid is the key with two letters solved. Try to complete the first few words to give you more letters, or look for a frequent number that might reveal a common letter. As you find letters, enter them in the key and into the grid. Cross off the letters in the A to Z list.
